I'm Writing again in Reference to Case no. 98-02675-5-AT5. I Would like To know why the Trustee filed an objection to my Claim. I Never made a dime on my investment + I think I should be Allowed to get some of my Money back. Some people that got me to sign up, made a lot of Money yet, they are Getting more back. I'm a single Mom, trying to get just a little Ahead, + that is why I got into FHI To begin With. My Mom put it in for me + that was "lost" for her. Please reconsider my Claim, my address has not Changed so that is no excuse!

Thank you again.
